

# Voices of Central and Eastern Europe Poland Fact Sheet

Political  
Accountability  
Foundation

Which of the following forms of government is, according to you, better for your country?

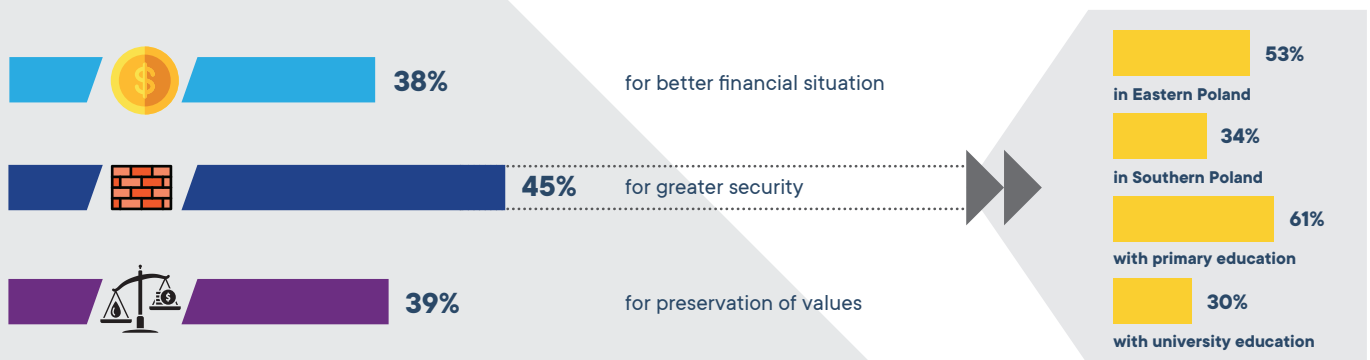

Poles are among the strongest supporters of liberal democracy in the region after Austria and Hungary.

Satisfaction-dissatisfaction with how democracy works in Poland also shows a clear division between supporters of the ruling party and the opposition, with the former presenting significantly more positive opinion on the present status of democracy.

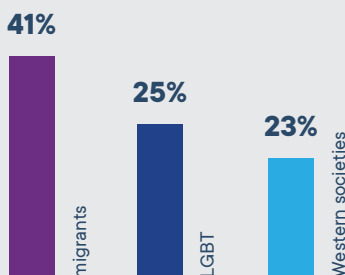

A significant percentage Poles are willing to trade basic freedoms for other benefits.

Strong fears are present in the country

Who threatens your identity and values?

Belief in conspiracy theories and misinformation.
