

Ideas Shaping the World

A Message from The President

“GLOBSEC has been promoting public-private dialogue by putting together right stakeholders and leaders across multiple sectors at one place to exchange ideas freely. We have worked hard to earn a reputation as a trusted partner to governments, organisations and private sector around the world. As a platform representing the constructive voice of CEE we shape ideas into real-life agendas and policies.”

Róbert Vass,
President and Founder, GLOBSEC

Our Story

GLOBSEC is a grassroots organisation established in 2005 by a group of students from the Faculty of Political Science and International Relations at Matej Bel University in Slovakia.

Over the years, GLOBSEC has evolved into Central Europe's leading think-tank and the host of one of the biggest events of its kind in the world.

To increase our impact, GLOBSEC has expanded to Brussels, Kyjiv, Vienna and Washington.

1993: SAC – Slovak Atlantic Council

2005: GLOBSEC Bratislava Forum

2009: Château Béla Central European Strategic Forum

2014: GLOBSEC Tatra Summit

2016: GLOBSEC Policy Institute

2020: GLOBSEC Brussels

2021: GLOBSEC Vienna

2022: GLOBSEC US Foundation/GLOBSEC Washington DC

2022: GLOBSEC Kyiv

Who We Are

GLOBSEC is the largest think-tank in Central Europe with partnerships across the region, Europe and beyond. We are the HUB for the generation of potent ideas and collaborative research of associated experts, leaders, influencers, academics from public and private sector, who strive to leave a legacy by making a positive impact and driving policy change while working on the challenges and the most pressing topics of today and tomorrow.

- ▶ GLOBSEC's independent and non-partisan status is maintained through its transparent and project-based funding.
- ▶ The funding for GLOBSEC comes from a number of sources such as endowment, flagship conferences, memberships as well as from grants, projects and our initiatives.
- ▶ None of our donors provide more than 15% of our financial resources.

What We Do

GLOBSEC helps to provide a better understanding of global trends and their consequences for society, economy and security. We generate new ideas and drive policy changes for a more resilient, prosperous and sustainable world by:

- ▶ Conducting world-class research and political risk analysis
- ▶ Driving change by engaging multisectoral leaders and policymakers in our policy initiatives
- ▶ Utilizing a platform for a public-private dialogue on a global level.
- ▶ Upholding the global network and bridging the CEE and trans-atlantic partnership
